RAF St Athan Golf Club,
Clive Road, St Athan
18:30 - 20:30

The Transport workshop will take place on:

Tuesday 9 December
The Gathering Place, St Athan
18:30 - 20:30

Please register your interest
by 1 December

The St Athan team is committed to involving the local community in the development of its plans and is pleased to announce that a series of workshops and interest groups will be held over the coming months. These events will provide an opportunity for members of the local community to discuss a number of topics in more depth with the project team and help inform the evolving masterplan. You are warmly invited to attend one or more of them.

The first two workshops will focus on Transport and Community Facilities - see left for dates and venues. Two interest groups looking at Environment and Community Welfare will be held in early 2009 and dates and venues will be confirmed soon.

If you would like to attend one or more of the workshops or interest groups please contact us and register your interest by 1 December:
