## ABP / DTA St Athan Green Travel Plan

Alan Davies  
February 2009

## What is a Travel Plan?

- A Travel Plan is a package of measures designed to increase awareness and promote the benefits of sustainable transport to those who are willing and able to reduce their private car use for two or three days of the week.
- Traffic is the fastest growing source of carbon dioxide, which contributes to global warming, as well as other pollutants that have a detrimental affect on our health. Add to this stress, road rage, greater demand for car parking spaces, and the problems created by a lack of exercise, the case for developing Travel Plans has never been stronger.

The overall target of this Travel Plan is to aim to reduce the number of single occupant car trips by 10%.

## **A Travel Plan for ABP/DTA St. Athan**

- An innovative Travel Plan menu will be designed to allow Travel Plan Coordinators to pick and mix the most appropriate Travel Plan measures.
- In encouraging car free access to ABP and DTA St. Athan the Travel Plan will recommend a range of measures such as, public transport information and services, increased awareness of car share matching services and promotions and raising awareness of the health benefits of walking and cycling

Welcome to this handy pocket guide to Citi 14, your frequent bus link into Gloucester city centre and back.

Buses are smart and comfortable, with a wide door and step-free entrance, which makes it really easy if you're pushing a buggy or carrying heavy shopping.

When you see the bus approaching the bus stop, raise your arm in plenty of time so the driver can see you. Pay the driver in cash, or show your pass, as you get on.

### nip into the city from Kingsway & Hempsted

- A Travel Plan is an evolving document containing targets and objectives that should develop and grow to reflect changes in the local environment, the sustainable transport infrastructure and the needs of staff.
  
- Annual revisions of the targets and objectives are recommended to monitor the success or otherwise of the Travel Plan.
